

COMMENTS FROM A FEW OF THE LADIES

More than anything Hearts In Harmony has taught me who I am & what I have in Christ. To know that God's promises and His love is for ME! I love this group and the support of my sisters in Christ

I have learned so much and I appreciate so much all the ladies and girls

I learned to dance with the Lord

I grew up in church and always heard God loves everybody, but I made a lot of bad choices, and I knew I had done so many things against what the Bible teaches. I would sit in church and feel all alone and down cast, but through bible study with the HNH women and the fellowship we all share. I finally know that I know that I know Jesus does love ME. He died for me. I would have never been good enough but HE is! I can't say enough about how thankful I am that God sent His anointing through Vicki just to let me know He LOVES ME! How Great is OUR God. Psalm 139 and 121 are a couple of my favorite scriptures

It is a blessing just to be with other women to talk & discuss things that we all face, and knowing that there is someone else who has the same frustrations. I can get their insight and encouragement. I have learned that my story is my story and although it is not elaborate it is mine that God has given me.

WHAT ELSE SHOULD I KNOW?

VISION STATEMENT

Hearts In Harmony purpose and vision is for women of all backgrounds & denominations to come together focusing on Jesus and His amazing love for us. For, Hearts In Harmony ministry's desire is to expose the darkness that keeps women defeated, bound, and worn down by ministering, teaching, supporting, and exhorting one another by the grace of our Lord Jesus Christ. We yearn for women to know God's personal love for them, and know Jesus has set them FREE from all guilt & condemnation.

HOW WE GOT STARTED

About 10 years ago it was in the heart of some of the women of our church to have a ladies night out to welcome our new pastor's wife. So, we did and had such a joyful and encouraging time. Someone said "we need to do this every month and Vicki we want you to be our leader". Well, after much prayer God in His wonderful Grace began what is now "Hearts In Harmony".

Through the years we have found that we all struggle and much of the time we struggle with the same kind of things and it is a true blessing to be a part of a group of women who do not judge but give loving Godly support and prays for each other.

WHO IS IT FOR

Although it started for our church body, "Cedar Bluff Baptist Church", our desire was for it to be ministry to all women. As a result, we are not just a women's group

exclusive for our church, but we open it to any women age 13 and above. We welcome anyone who has a desire for Godly fellowship, encouragement, and support to attend our events. We love to meet and be encouraged by other women longing to grow in grace and knowledge of Jesus Christ.

"For I know the thoughts that I think toward you, saith the LORD, thoughts of peace, and not of evil, to give you an expected end."(Jeremiah 29:11)

WHAT DO WE DO

Hearts In Harmony Encourages Women through various forms of ministry including the following:

- Monthly Meetings

WHO IS OUR LEADER

Biographical Sketch

Vicki London was saved as a young 9-year-old girl at bible school. Despite living with an alcoholic parent she professed her faith to her mother, but continued to be a very shy child who felt ugly and unacceptable.

Because she did not attend church regularly, she did not grow spiritually but had a deep understanding that if she died, she would live with Jesus forever. Her life of unrest, feelings of being undesirable and longing for Jesus continued through her childhood and young adult life. Although she never read her Bible because she thought she could never

understand it, but she still had a deep desire and longing to know Jesus.

At age 22, Vicki lived a miserable life filled with a deep void for something more than she had. Being fearful and discontent, she was apprehensive that she had made her marriage and her life a mess. One evening in her living room, kneeling beside of her sofa, Vicki opened her heart to Jesus. She prayed, "Dear Jesus, fill me, wash me and use me ...show me your ways and all that you have for me."

Since that very night, the Holy Spirit has continued to fill Vicki's in a most insightful way to His power and His glory. Jesus continues to use Vicki in a way that touches the very heart of women everywhere by true anointing from the Holy Spirit.

Over the past 25 years Vicki has been blessed with a pure, God-given ability to teach the Word, share the victory and lead women of all ages to freedom and great peace in the Father above. Her uncanny ability to relate to real issues that women face is like a breath of fresh air directly from the Holy Spirit.

One of Vicki's favorite scriptures, John 15:16, truly sums up Gods' divine purpose for her life.

"Ye have not chosen me, but I have chosen you, and ordained you, that ye should go and bring forth fruit, and [that] your fruit should remain: that whatsoever ye shall ask of the Father in my name, he may give it you."

If asked, she will tell you that her heart's cry is to see women of God **know** that they are loved, accepted, and free through Christ Jesus. Her knowledge of the scriptures and their true meanings is not only insightful, but a necessary art of the journey of seeking God, His presence, and His wonderful peace.
